

HOMES FOR UKRAINE

This guide shows the process that sponsors' applications will go through in Babergh and Mid Suffolk.

STEP 1. APPLY

You apply to be a sponsor on the Government webpage: Homes for Ukraine: record your interest - [GOV.UK\(www.gov.uk\)](http://GOV.UK(www.gov.uk)).

STEP 2. THE GOVERNMENT

The Sponsor and Refugee will find each other via a charity such as Reset or via social media. On finding each other and agreeing to host, both parties jointly submit a Visa application to the Home Office. When the Government approve the match, they pass this information onto Suffolk County Council. View [Supporting refugees | Suffolk County Council](#) for more information.

STEP 3. SUFFOLK COUNTY COUNCIL

Suffolk County Council will contact you to find out more information about your home, current occupants, and pets. Suffolk County Council will be arranging DBS checks and will contact you when they need further information from you.

STEP 4. BABERGH AND MID SUFFOLK DISTRICT COUNCILS

Babergh and Mid Suffolk District Council will receive this information from Suffolk County Council and we will contact you to schedule a property visit. Suffolk County Council will then administer the grant funding on arrival of the refugee/s.

THANK YOU FOR YOUR KINDNESS

- The Home Office will be in contact with you with relevant information when your application is processed.
- Please do not call us as we are unable to provide any information on individual applications at this time.
- For specific Suffolk related information please check [Frequently Asked Questions | Suffolk County Council](#).
- The Visa process, accommodation and DBS checks are not done in any specific order, but they must all be completed. Sometimes Visas will be issued before other checks are complete.
- We will only complete a property inspection when you have submitted a VISA application to the Home Office with your guest/s details. Please do not attempt to contact us to arrange the inspection without having submitted a Visa application.
