3. Responses & Reactions to the Report

Please note that the Council's officers or elected members will not enter a dialogue on this matter, such as that over the merits of any proposals, considerations, findings, recommendations etc. within the Inspector's report. This is largely because the Core Strategy proposals and their merits were subject to previous public exposure, consultation, engagement, representations processes and debated through the examination process.

4. Babergh Council's Response to the Report

The Council's own response (to the report) will be determined in due course through a formal report with recommendations to Babergh's Strategy Committee (and in turn full Council, on 13 and 25 February 2014 respectively). This will be available to view in the usual way, subject to the standard timescales, on the Babergh website; see:

I trust that this information is helpful.

Yours faithfully

Rich Cooke (Corporate Manager - Spatial Planning Policy)
