Pedestrian and cyclist crossing (please specify type)	<input type="checkbox"/>
Pedestrian guard rails or cyclist segregation infrastructure	<input type="checkbox"/>
Other (please specify):	<input type="checkbox"/>

7. What would be the benefits from the proposed Infrastructure?

8. How have you identified need and support? Who would benefit?

Please provide details of any community consultation that has taken place and any additional documentation that supports the project e.g. Village / Parish/ Neighbourhood Plan, letters of support from the Parish Council and/or Ward Member. Does the project support growth and/or mitigate existing infrastructure inadequacies?

9. Existing Infrastructure

Ownership - You will need to specify who owns the land and provide a copy of the land ownership documents.

Is the ownership one of the following;

Freehold Leasehold Do not own the land

If you have a leasehold or do not own the land please state the name and address of the owner and the date of expiry of the lease (if applicable).

CIL Expenditure Application Form

If you do not own the land, do you have permission from the landowner to implement your project? If so, please provide evidence.

What is the existing Infrastructure constructed from and what is the approximate age and how to you intend to improve it.

Need to know	How	Please tick which of these applies & provide detail for each element in the box below
Highway boundary-how much land have we got	Check Highway boundary on Insight, speak to Highway records, check land registry	
Adjacent landowners	We may need to use area for site compound/welfare facility. If there is no land near costs can be greater.	
What is underground-can you see covers and trenches?	Need a stats enquiry, possibly need trial holes and a Ground Penetration Radar Survey (GPR), speak to utility companies.	
What is above-are there cables?	This can affect construction methods and increase costs	
Will the scheme need lighting?	Is there a system of street lighting nearby? Speak to street lighting team.	

CIL Expenditure Application Form

Will the scheme need electric for traffic signals	Where will this come from, speak to UKPN and ITS team.	
Do we know what traffic uses the road and its speed?	Arrange for an automatic traffic count (ATC) survey.	
Ecology-what is currently in place, will there be tree or vegetation removal?	Arrange surveys with ecology team, speak to local groups about natural habitat. Think Biodiversity Net Gain (BNG) may need compensatory planting	
Topographical Survey	Gathers data about natural and man-made features of the land and the terrain.	
Are there any planned works for the location?	Speak to Asset managers at Suffolk Highways.	
Are legal traffic orders required?	Gauge local support	
How will the work be delivered, traffic management	Will the road need to be closed, where will the diversions be? What other work is planned in the area.	
Desired dates of works.	Some towns have embargos where you cannot work in high summer or around Christmas	

Please provide the detail with a heading for each section above that applies:

10. Usage of the existing Infrastructure

please give details of the current use (if applicable)

Group/Organisation Name	Number of users per week/month

CIL Expenditure Application Form

(Please continue on a separate sheet if necessary)

What will be the expected increase in users/ new usage after the scheme has been completed?

Group/Organisation Name	Number of users per week/month

11. General Information

Before any application is successful you will need to have applied for and obtained any formal approvals that are required (Planning Permission).

Have you liaised with Planning regarding this project?
