

FORTHCOMING DECISIONS LIST

(Key Decisions and other Executive Decisions for the period

1 August 2025 – 30 November 2025)

Published 9 July 2025

This list (Key Decisions and other Executive Decisions) contains details of all of the Key Decisions and other Decisions/Matters taken in private that are planned over the next four months.

It will be updated on a monthly rolling basis, and provides at least 28 clear days' notice of the consideration of any key decisions, and of the taking of any items in private. It is published in accordance with the Local Authorities (Executive Arrangements) Meetings and Access to Information) (England) Regulations 2012.

A key decision (as per Part 1, 12.9.1 in the Constitution) is an Executive decision which is likely to:

- (a) Result in the Council spending, or saving a significant amount compared with the Budget for the service or function the decision relates to; or
- (b) Have a “significant” effect on communities living or working in an area made up of two or more wards.

When assessing whether or not a decision is a key decision, Councillors must consider all the circumstances of the case. However, a decision which results in a significant amount spent or saved, will generally be considered to be a key decision if:

- (a) The amount spent is £150,000 or more of revenue or capital expenditure;
- (b) Savings of £150,000 or more per annum;
- (c) Where a decision makes a commitment for spending over a period of time, it is the total commitment that must be considered to see if it is a key decision.

A key decision which is considered to have a “significant” effect on communities should usually be of a strategic rather than operational nature and have

an outcome which will have an effect upon a significant number of people living or working in the area and impact upon:

- (a) The amenity of the community or;
- (b) Quality of service provided by the Council.

Consideration of Decisions

The majority of items will be considered at a meeting to which any member of the public may attend and observe, but may not speak. Any items marked with an asterisk * and categorised as an “Exempt Report” may be taken in private, if the related documentation contains “Exempt” or “Confidential” Information as defined in Schedule 12A of the Local Government Act 1972.

The categories of exempt information are:-

1. Information relating to any individual
2. Information which is likely to reveal the identity of an individual
3. Information relating to the financial or business affairs of any particular person (including the authority holding that information)
4. Information relating to any consultations or negotiations, or contemplated consultations or negotiations in connection with any labour relations matter arising between the authority or a Minister of the Crown and employees of, or office holders under, the Authority
5. Information in respect of which a claim to legal professional privilege could be maintained in legal proceedings
6. Information which reveals that the authority proposes a) to give under any enactment a notice under or by virtue of which requirements are imposed on a person; or b) to make an order or direction under any enactment
7. Information relating to any action taken or to be taken in connection with the prevention, investigation or prosecution of crime.

Cabinet Members will consider information on key decisions through reports, associated appendices and schedules etc. Other documentation relevant to the decision being made may also be submitted for consideration. Subject to the “exemption and confidentiality” qualifications above, copies or extracts from any report or related documentation relating to a key decision will be available from the relevant Contact Officer listed in this Plan.
