Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b, c, d and e) (please read guidance note 10)

The management of the premises at 10 Lady Street, Lavenham is committed to upholding all four licensing objectives: the prevention of crime and disorder, public safety, the prevention of public nuisance, and the protection of children from harm. All staff will receive training on licensing law, responsible alcohol service, and the enforcement of the Challenge 25 policy to ensure only eligible individuals are served alcohol. Clear policies and procedures will support the safe and responsible operation of the premises, promoting a secure and welcoming environment for both customers and the wider community.

b) The prevention of crime and disorder

To deter and detect any incidents of crime or anti-social behaviour, a comprehensive CCTV system will be installed covering internal and external areas, including entry points and outdoor spaces. Footage will be retained for a minimum of 28 days and provided to the police upon request. All staff will be trained in conflict resolution and responsible alcohol service, including refusing service to intoxicated or disorderly individuals. An incident log will be maintained on-site to record any relevant occurrences, including refusals of alcohol sales and any disorderly conduct.

c) Public safety

The premises will comply with all relevant health and safety and fire regulations, including the provision of clearly marked fire exits, emergency lighting, and up-to-date fire-fighting equipment. The layout of the bar, lounge, snug, and courtyard areas is designed to allow for safe customer movement and effective supervision by staff. First aid supplies will be kept on-site, and a trained first aider will be present during opening hours. Maximum occupancy levels will be observed to prevent overcrowding and ensure safe use of the premises.

d) The prevention of public nuisance

To minimise disturbance to local residents, the courtyard and driveway areas will not be used for alcohol consumption beyond 11:00 PM. Staff will monitor these areas to ensure they are used respectfully and appropriately. No amplified or live music will be played outdoors, and indoor music will be kept at a background level. Clear signage will be displayed asking customers to leave the premises quietly and respectfully. Waste will be managed responsibly, with regular clearing of litter from around the premises, and deliveries and collections will take place at appropriate times.

e) The protection of children from harm

A strict Challenge 25 policy will be enforced to prevent underage sales of alcohol. Anyone who appears under 25 will be required to present valid photographic ID (passport, photo driving licence, or a PASS-approved proof-of-age card) before being served alcohol. Staff will be trained in age verification procedures and how to refuse service if necessary. Children under 16 will only be permitted on the premises if accompanied by a responsible adult and will not be allowed to remain on site after 9:00 PM. Alcohol will not be promoted in a way that may appeal to minors, and the premises will not host any events targeted at children that involve alcohol. The latest time alcohol will be served is 11:00 PM.

10. Please list the steps you will take to promote all four licensing objectives together.
11. The application form must be signed.

13. Where there is more than one applicant, each of the applicants or their respective agent must sign the application form.
14. This is the address which we shall use to correspond with you about this application.
15. Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:
A licence may not be issued to an individual or an individual in a partnership which is not a limited liability partnership who is resident in the UK who:

- Does not have the right to live and work in the UK; or
 - is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.
- Any licence issued before the date of application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have the right to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

They do this in one of two ways:

- 1) by providing with this application, copies or scanned copies of the documents

which an applicant has provided, to demonstrate their entitlement to work in the UK (which do not need to be certified) as per information published on gov.uk and in guidance.

- 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

Home Office online right to work checking service.

As an alternative to providing a copy of original documents, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their share code (provided to

them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth, will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be shared digitally. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copies of documents as set out above.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.
