Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b, c, d and e) (please read guidance note 10)

The Licensee shall ensure that all times when the premises are for any licensable activity, there are sufficient competent staff on duty at the premises for the purpose of fulfilling the terms and conditions of the licence and for preventing crime and disorder. The licensee shall ensure that all staff will undertake training in their responsibilities in relation to the sale of alcohol, particularly regarding drunkenness and underage persons. The premises licence holder shall adopt a “challenge 25” proof of age scheme. The premises licence holder shall operate a requirement to produce a passport, UK photocard driving licence or PASS accredited photocard, where the individual requesting the supply of alcohol appears to be under the age of 25.

b) The prevention of crime and disorder

Crime prevention posters shall be prominently displayed and maintained on the licensed premises relating to any prevalent crime and disorder issue in the local area. A risk assessment will be put in place to identify potential risks and strategies to prevent them.

The premises shall install and maintain a comprehensive CCTV system. CCTV will cover all public areas where licensable activities take place, including entry and exit points, enabling frontal identification of every person entering in any light condition. The CCTV system shall continually record whilst the premises is open for licensable activities and when customers remain on the premises. All recordings shall be stored for a minimum period of 30 days with date and time stamping. Recordings shall be made available immediately upon the request of Police or an Authorised Officer. A staff member who is conversant with the operation of the CCTV system shall be on the premises at all times when the premises are open to the public. This staff member will be able to show recordings to Police or an Authorised Officer with minimum delay when requested, and be able to download relevant footage onto a disc or memory stick, which can be played back on a computer or other digital retrieval system. The CCTV system must be checked each week to ensure that it is functioning correctly and endorsed by signature in a log. In the event of technical failure of the CCTV equipment, the Premises Licence Holder or DPS will report the failure to the Police and Licensing Authority immediately.

c) Public safety

The car park shall be adequately illuminated during the hours of darkness whilst licensable activities are taking place on the licenced premises. The premises will have a capacity limit to ensure public safety.

Appropriate fire safety procedures are in place including fire extinguishers, internally illuminated fire exit signs, numerous smoke detectors, all appliances are inspected annually. All emergency exits shall be always kept clear from obstruction.

d) The prevention of public nuisance

Notices shall be prominently displayed and maintained on the licenced premises asking patrons to leave the premises and the area quietly.
 The premises licence holder shall ensure that volume levels from recorded or live music are monitored by a responsible person. Monitoring shall take place both inside and outside the licensed premises and due regard shall be had to whether the activity may lead to excessive noise at neighbouring properties.
 Appropriate remedial steps shall be taken in the event of any excessive noise levels being experienced.

e) The protection of children from harm

There shall be no adult entertainment or services, activities, other entertainment or matters ancillary to the use of the premises that may give rise to concern in respect of children.
 Children will be accompanied by an adult.
 All staff will be trained for UNDERAGE SALES PREVENTION.

15. Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:
 - A licence may not be issued to an individual or an individual in a partnership which is not a limited liability partnership who is resident in the UK who:
 - does not have the right to live and work in the UK; or
 - is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have the right to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

They do this in one of two ways:

- 1) by providing with this application, copies or scanned copies of the documents which an applicant has provided, to demonstrate their entitlement to work in the UK (which do not need to be certified) as per information published on gov.uk and in guidance.
- 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

Home Office online right to work checking service.

As an alternative to providing a copy of original documents, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth, will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be shared digitally. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copies of documents as set out above.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.
