Does your organisation have reserves (Yes or No)? If yes, please detail below			
Unrestricted	£	Restricted	£

### 4. VAT

Can you reclaim VAT?		VAT Registration Number if applicable	
----------------------	--	---------------------------------------	--

### 5. Volunteers

How many volunteers does your organisation have?	
Will this application support additional volunteers? If so, how many?	
Approximately how many volunteering hours per week are supported by your organisation?	

## 6. Policies

Does your organisation have the following policies in place? Yes, No, or Working Towards	
Equal Opportunities	
Health and Safety	
Adult and Child Safeguarding	
Environmental	
Financial Payments	

Does your organisation serve all sectors of the community irrespective of political, religious belief, ethnic origin etc.?	
What are the main activities or services of your organisation in Mid Suffolk?	

## 7. Project Details

*The grant aims to support projects that look beyond individual sites, focussing on measures that require a holistic and collaborative approach to issues that affect large areas and many communities.*

Please outline the nature of your project, and how your project will achieve its outcomes (refer to the guidance notes regarding mandatory and desirable outcomes) with respect to the aims listed above, including how this funding is needed to support it.

Please be as specific as possible on what you will do and how you will do it.

SAMM

## 8. Need

How have you identified the need for your activity or project? Please show why your project is needed, and what evidence you have to support this.

**9. Community Engagement**

How has the community been involved in identifying the above need? How will your project increase community engagement as the project progresses?

Please provide details of your proposed ongoing community engagement.

**10. Community Benefit**

How many people or communities will benefit from the activity you are applying for funding towards?

How will people or communities benefit from the activity you are applying for funding for?

What have you done to ensure that your project is accessible to everyone, ensuring that the whole community have the opportunity to engage fully and meaningfully?

**11. Mid Suffolk District Council Biodiversity Priority Actions**

The [Biodiversity Action Plan](#) outlines the priority species and habitats for Mid Suffolk District Council. Applications must select which of the following priority species or habitats your project will protect or enhance:

Priority Species

Priority Habitats

- Swifts	- Arable Field Margins and Hedgerows
- Hedgehogs	- Calcareous Grassland
- Bumblebees	- Lowland Meadows
- Toads	
- Native Black Poplar	
<b>Priority Habitat or Species</b>	
1)	
2)	
3)	

## 12. Suffolk Local Nature Recovery Strategy Priorities

The [Suffolk Local Nature Recovery Strategy \(LNRS\)](#) outlines the nature recovery priority habitats, assemblages and species for Suffolk. Projects must align to one or more of the 10 main aims and ambitions of the Strategy:

1. Create, enhance and expand priority habitats
2. Reconnect fragmented landscapes
3. Recover and protect key species
4. Support sustainable farming and land management
5. Restore wetlands, rivers, and peatlands
6. Safeguard and enhance coastal habitats
7. Expand woodland and tree cover
8. Integrate nature into towns and cities
9. Empower communities and landowners
10. Deliver co-benefits for climate, health, and the economy

Please select which of the aims and ambitions your project will support, and how.

### Aims and Ambitions

1)
2)
3)

### 12.1. Mapping

The LNRS's Mapping Tool ([Suffolk Local Habitat Map](#)) outlines areas in Mid Suffolk which are considered Areas of Particular Importance for Biodiversity (APIB) and Areas that Could Become Important for Biodiversity (ACB). Does your project take place in an area covered by an APIB or ACB?

If yes, does your project consider the recommended considerations?

--

### 13. Water Management

Please note that all projects must include measures to manage flooding and improve water quality as a minimum.

#### 13.1. Flood Management

Flood management includes nature-based solutions, natural flood management approaches and artificial interventions. How does your project seek to address issues related to flooding and what benefits will these deliver?

--

#### 13.2. Water Quality

Water quality includes reducing pollution, pathogens and nutrification, improving water clarity and increasing oxygen levels. How does your project seek to address issues related to water quality and what benefits will these deliver?

--

#### 13.3. Water Security

Water security includes measures to reduce water use, retain and store water for use, increase the availability of water, and prevent water loss. Does your project seek to address issues related to water security?

If yes, please provide details on the measures proposed and the benefits these will deliver.

--

### 14. Outcomes and Indicators

Using the boxes below, set out up to two outcomes you hope to achieve because of our funding:

If your application for funding is successful, it gives us an agreed framework within which we can monitor progress.

Please also provide no more than 2 progress indicators for each outcome, each of which to be described within one sentence. An indicator defines how a piece of information can be assessed or measured to show whether outcomes have been met.

Outcome 1	Outcome	

	Indicator 1	
	Indicator 2	
<b>Outcome 2</b>	<b>Outcome</b>	
	Indicator 1	
	Indicator 2	

### 15. Timeline

Estimated project start date:		Estimate project end date:	
		<i>Funding must be spent or project complete within 12 months of any grant offer, unless otherwise stated</i>	

### 16. Costs

Please provide a breakdown of project costs, based on quotes if applicable	
Cost	£ Amount
	£
	£
	£
	£
	£
	£
	£
	£

### 18. Funding Package

Where have you obtained or where will you be seeking the remaining funding for this project or activity from?			
Funding Source	Secured (Yes or No)	If not secured, when will you know?	Amount £
			£
			£
			£
			£
			£
			£
			£
Amount being applied for from Catchment and Landscape Nature Recovery Grant			£
<i>If applying for Pre-Project costs such as feasibility studies, the maximum which can be applied for is £20,000</i>			
<b>Total Funding (this should match the total cost figures provided)</b>			<b>£</b>

### 19. Additional Documentation

Please submit alongside your application form any documentation that may assist us in assessing your application. For all projects, this includes accounts. For Capital projects, this includes quotes. If a document such as a community consultation is referenced in the application, this must be submitted alongside it. Other documents you may wish to provide include but are not limited to:

- Photographs
- Community Surveys
- Ecology Surveys
- Water quality surveys
- Hydrological modelling
- Flooding incidents
- Parish Council or District Councillor support
- Site Plans
- Business/Project Plans
- Management Plans
- Community Planning Documents such as Parish Infrastructure Investment Plans, Neighbourhood Plans or People & Place Plans
- Maps
- Planning Permission Notices

<ul style="list-style-type: none"> <li>Licences and permits for intervention works, or identification of their need and the application process</li> </ul>	
Have accounts been submitted alongside this application?	
If applicable, have quotes been submitted alongside this application?	

**20. Subsidy Control (Formerly State Aid)**

<p>Babergh and Mid Suffolk District Councils will be providing this grant to your organisation as a Minimum Financial Assistance (MFA) subsidy under the Subsidy Control Act (2022).</p> <p>MFA subsidy limit is £315,000 over a three-year period (including your current financial year and the previous two financial years). This means that all subsidy received by your business/organisation over the last three years, including the total requested from this grant fund, should not exceed a total of £315,000.</p>	
<p>Has your organisation received in the last three years, or are you currently applying for, any grants or Subsidies/State Aid?</p> <p><i>This includes any public funded grants (including from national bodies), Mid Suffolk District Council Community Grants/CIL, National Lottery, business rate discounts, Growth Hub business support etc.</i></p>	

If yes, which grants have been received?		
Grant	Amount	Year
	£	
	£	
	£	
	£	
	£	
	£	

**21. Security of Tenure**

<p>Does the project require ownership or management of any land, building or structure? If so, how are these held at present? Please specify Leasehold or Freehold.</p> <p>If the land is leased, to be leased, or if the application relates to land owned by someone other than the applicant, please provide written confirmation that the landowner agrees to the proposed project alongside your application.</p>

If leasehold, please state the name and address of the owner as well as the expiry date of the lease	
--	--

## 22. Planning and Building Control (Complete if Applicable)

Have you liaised with Planning and Building Control regarding your project?		If applicable, the name of the Planning Officer who has been dealing with your case	FILL
Building Control certificate number, if applicable		Planning Permission reference number, if applicable	
Which organisation is responsible for the management of the property?			
What is the expected life of the project once complete?			

## 23. Permits and Licences

Does your project require any permission from the Environment Agency?		If so, please provide details on what permissions are required, whether they are in place already or will be applied for	FILL
Does your project require permission from any other body?		If so, please provide details on what permissions are required, whether they are in place already or will be applied for	
Which organisation is / will be responsible for obtaining any permissions?			

## 24. Declaration – All Projects

Please ensure that this application is signed and dated.

I confirm that the MFA threshold has not and will not be exceeded by the enterprise receiving the proposed assistance.

I declare that I am authorised to make this Grant application on behalf of the above organisation and that the information given is correct and complete.

I understand that you will use the information I have provided to assess and process the Grant application. You may check some of the information with other sources within the Council, other Councils and Government departments. You may also get information from other organisations to make sure the information is accurate.

Has every section relevant to your project been completed?  <i>If there is important information missing or not in the relevant section, we will not be able to accept your application</i>			
Signature		Name	
Position		Date	

## 25. Completed Forms

Please return the completed form by email to [BMSDCGrants@baberghmidsuffolk.gov.uk](mailto:BMSDCGrants@baberghmidsuffolk.gov.uk)

Alternatively, please return by post to the following address:
