

Forum Update – Elizabeth Delaney, Communications Officer

Social media

We'd like to share more social media posts. If you want to get involved, tell us:

- about positive experiences of accessible services in Mid Suffolk
- why you joined the forum (and if you'd like to, a photo of yourself)

We could then post these to encourage more residents to join us.

Posters

The new poster is included with the minutes and can be shared digitally. If you can display the poster somewhere and would like some printed copies, please email Elizabeth Elizabeth.delaney@baberghmidsuffolk.gov.uk

Leaflets

The new leaflet will be finalised next week, if you'd also like some printed copies, please email Elizabeth.

Easy read – warm in winter booklets

We have developed two resources with tips for staying well, managing heating costs, costs and where to go for financial advice/support. We'll be arranging for a small number of printed copies to be available from September/October, if you'd like a few, please email Elizabeth.
